2K APPLICATION SYSTEMS FOR HIGH QUALITY HOOF CARE

FROM 50ML UP TO 280ML CARTRIDGES

FOR RELIABLE, EFFICIENT AND SUSTAINABLE HOOF CARE

Genuine QUADRO mixing tips are designed with Swiss technology. LOOK FOR the QUADRO logo, the quadratic shape as well as the green and white colors.

Hoof care specialists trust original medmix solutions. Thanks to our advanced technology, medmix application systems ensure a reliable and efficient hoof glue application.

Provide the difference with high quality-features

- ✓ System approach with perfectly matched components
- ✓ Homogeneous, consistent mixing performance through advanced mixer technology
- ✓ Accurate application results ensure the animal's wellbeing
- ✓ Swiss Technology
- ✓ Optionally available in the CO₂-saving greenLine family

Roman Eggenberger, Swiss Hoof Care Pro

"I won't risk the welfare of the animals and my reputation for a few cents."

Play safe for hoof care pros and animals

- ✓ Trouble free use
- ✓ Intuitive usage
- ✓ Fast application
- ✓ Reliable results
- ✓ Less animal suffering

Our two-component application systems enable hoof care professionals to apply safely. All system components are developed from a single source and strictly quality-controlled. This 100% reliability and compatibility minimizes rework and rejections.

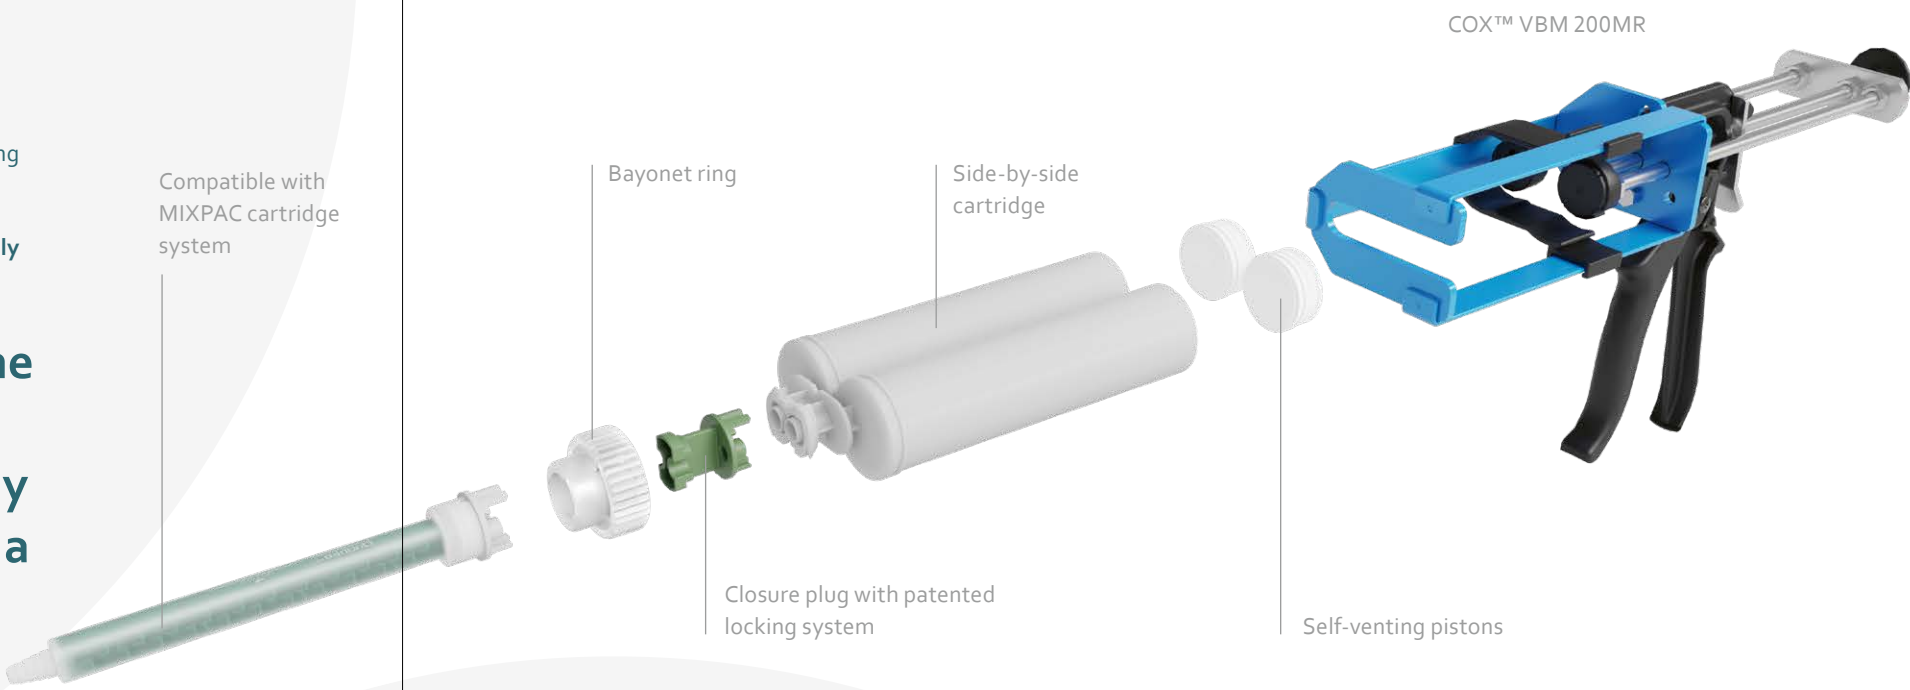

Get more info about our hoof care portfolio.

100% reliable with our system approach

Our main hoof care system consists of the 200mL F-System cartridge, the COX VBM 200MR dispenser, and the QUADRO mixer.

MIXPAC™ greenLine family: Your sustainable option

All components of the greenLine family are made from recycled plastics. They act as a drop-in solution with no process change needed.
